There is going to be a change in the way the Division meets are held in Chehalis. After much discussion with the Moose management, a raise in the rate and such, the TCA Board of Directors have come up with a plan. We have decided to forgo breakfast and lunch and start the meet at a later time. Hopefully this means not getting up a O’dark 30 and enjoying the trip to Chehalis. We will be providing a continental breakfast with sweets, fruit compote and the usual drinks for you at 9:00AM. What we found out is that the ‘ladies’ of the Moose who used to do it for us were not there anymore and they are working with a ‘skeleton’ crew that made it hard to get food out in a judicious manner. We will discuss this and many other items at the Business meeting.

One of the ways your Board of Directors has come up with to increase attendance at the Division meets is that the Seattle Chapter will not have a monthly meet when the Division has their meet. We feel this and offering the 10:00AM Meet start time will be beneficial to our success.

Our goal is to put out/on a product that benefits the members. We have a great group of members who enjoy each others comradry, fellowship, and more. We are much like an extended family. It shows in the way I see everyone talking to one another.

So, let’s give this a try and please bring your ‘thinking-cap’ and give us your thoughts and more about how to make this meet the best it can be. Your participation is the key to the Division’s success. Without YOU there is no Division.

Cheers,

Rick
