## TRAIN COLLECTORS ASSOCIATION

From the Desk of Rick Dunn

Date: 09/28/18

This past Sunday, September 23rd, I was welcomed along with other TCA & TTOS members into the home of David & Ruth Barth. They were very gracious and a good time was had by all who attended. Ruth is a very gifted artist while David is, like us, a big-time train collector. Ruth works in many different mediums with her artwork. She and David also collect other 'artifacts' of the 20th Century. Enjoy the photos and a big "Thanks" to David & Ruth for a very good time.
